

Write a postcard

1. Greeting (hälsningsfras)

E.g. "Hi", "Hello", "Hey", "Dear x"

2. Body (text)

This is where you write your message.

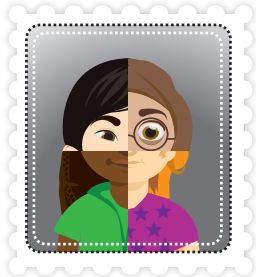

E.g. Where are you? Are you having a good time? What's the weather like?
What have you done? What are you going to do? How's the food?
Have you eaten anything special?

3. Closing (avslutning)

A short expression to end the postcard, e.g. "See you soon", "Love", "Bye!".

4. Signature (signatur/ditt namn)

Remember to write your name at the bottom.
